AGREEMENT

Entered into as of the ___ day of ___, 2013, between _____, and *Danielle Feliciano (the Printer), located at 113 Castilian Drive, Virginia Beach*, with respect to the letterpress printing of certain materials referred to herein as the Project. This document confirms that both the Client and the Printer agree as follows:

Description.

The Printer agrees to print the Project in accordance with the specifications on the invoice

Due Date.

The Designer agrees to complete all printed materials within **30 days** after the signing of this Agreement and the receipt of all necessary files, specifications, and materials from the client.

Grant of Rights.

Upon receipt of full payment, the Designer and Client agree to the following exchange of display rights:

The Client/Designer may photograph them, display them, and distribute them at will.

The Client will not represent any design or printing work done by Panthera Press as his/her own work and will credit Panthera Press in any web display.

The Printer may display the prints as sample images both online and offline as their printed work, but will not represent any designs created by the Client/Client's designer as her own. Designs not created by the Printer will be credited to the creator in any web display. Addresses to private residences and sensitive information will be omitted.

Printing Considerations.

If the Client orders a project with any of these limitations they agree to accept the final product knowing that Panthera Press will produce it as expertly as possible.

Color Matching: Colors are mixed optically to either a specified Pantone number or a digital file. Pantone numbers are preferred and ensure a better match since color display on monitors can vary. We do not offer an exact color guarantee. If the Client would like to have an exact Pantone it can be ordered from the manufacturer for a \$80.00 fee.

Large Solids: Printing large solid areas is not effective on letterpress; they do not allow deep impression and may cause the sheet to distort or curl from the pressure. Large solid areas may appear 'salty' or mottled. Darker colors show the effect more than light colors.

Halftones: Halftone or screen images are best for letterpress but can look really interesting. Halftone images about 100 LPI tend to fill in and we cannot guarantee they will look as crisp or print as deeply as line work will. You will be able to see the halftone in the final print, but this adds to the look.

Deposit & Payment

At the time of signing this Agreement, Client shall pay the **Printer 50%** as a nonrefundable advance against material expenses (plates, paper, ink) and labor in preparation for print. The payment of the advance is taken as proof of agreement to all the terms within this contract. The Client agrees to pay the Illustrator within thirty **30 days** of the date of Designer's final invoice. The Client will be given digital samples of the final work with the final invoice. Upon the Client's approval and final payment, the work will be shipped within two business days.

Revisions.

If the revisions are not due to any fault on the part of the Printer, an additional fee shall be charged for time and materials. The Printer will not be held responsible for spelling/grammatical errors present in the works provided by or approved by the Client.

Cancellation.

In the event of cancellation by the Client, the initial deposit is non-refundable. If the Project is already completed and the Client cancels the Project, then the full fee will be due to the Designer within 30 days. If the Project is less than complete the Client will pay any material and labor fees related to the work that is already completed.

Ownership and Return of Artwork.

The ownership of original artwork, including sketches and any other materials created in the process of making the finished art, shall remain with the creator of the design. The Printer retains the right to keep additional samples of the printed product as well as any original files created by Panthera Press. Designs created by Panthera Press may not be used or re-printed by the Client or any other parties without written permission from Panthera Press. Mixed ink and plates are recycled and remain the property of the Printer.

Permissions and Releases.

The Client agrees to indemnify and hold harmless the Designer/Printer against any and all claims, costs, and expenses, including attorney's fees, due to materials included in the Work at the request of the Client for which no copyright permission or privacy release was requested or uses that exceed those allowed pursuant to a permission or release.

Miscellany.

This Agreement shall be binding upon the parties hereto, their heirs, successors, assigns, and personal representatives. This Agreement constitutes the entire understanding between the parties. Its terms can be modified only by an instrument in writing signed by both parties, except that the Client may authorize expenses or revisions orally. A waiver of a breach of any of the provisions of this Agreement shall not be construed as a continuing waiver of other breaches of the same or other provisions hereof. This Agreement shall be governed by the laws of the State of Virginia.

IN WITNESS WHEREOF, the parties hereto have signed this Agreement as of the date first set forth above.
